

PTA Monthly Newsletter: January 2020

MEETING MINUTES

Below is a **summary** of the January 2020 PTA meeting. Please contact your class rep or the PTA directly should you require any further information.

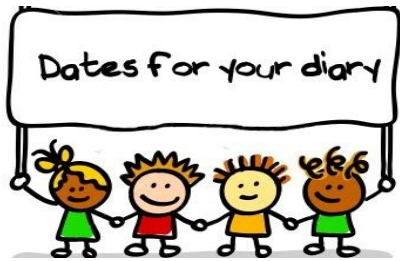

- Road Safety Week to be held in Feb 2020 - initiative proposed between PTA and school to encourage driver, pedestrian and cycle safety, both inside and outside the school grounds.
- Discussed about PTA communication via the general PTA Master email and via the class rep - decision to select method based on type of information in order to maximise optimum two-way communication.
- Discussion regarding JI & SI classes only having one rep between the 2 classes. Decision that this may not be working and decision to approach the JI and SI classes who don't have a parent rep to seek a second PTA rep for each of these classes - PTA Constitution allows for same.
- PTA Sub-Committees to be created for the following areas/events; Garden; Library, Art Day, Autumn Fair (2nd class parents), STEM, ECA's, & Table Quiz. See call for help below and in separate email (to come!) for more information.
- The roles and responsibilities of PTA class reps discussed and agreed upon.
- Decision that the PTA will offer to fund new Irish Flag at the front of school, if funds are an issue.
- Swap box (of dance shoes/football boots) proposed and accepted by the PTA. Proposal to be put to school for pilot.
- Proposal for unclaimed lost and found belongings, after termly display, to be sold and money donated to charity.
