

# GETNS PTA Autumn Time Challenge

Now that we are nearly at mid-term break, here is an Autumn time competition for all pupils to enter

**Get your creativity going over the mid-term break with our Autumn Challenge**

Make any creative project about Autumn – a song, a poem, a drawing, build a scarecrow, paint a pumpkin – you choose!

You have the mid-term break to create it and share it! When it is ready, you submit a photo, video or recording of your creation to <https://form.jotform.com/202872617442355>

The PTA will manage all entries and select some winners.

Entries are encouraged from all classes. The PTA will select a winner from each class, who will receive a book token for €10

All of the children's creative work will be shown virtually at [getnspta.wordpress.com](http://getnspta.wordpress.com)

## **Rules for entry:**

1. The entry must have an Autumn theme
2. The child must choose which creative project they want to make
3. They can get some help at home from family!
4. One entry per child and only single entries
5. Closing date for entries is Friday 30<sup>th</sup> October 2020
