

## First Class Summer Newsletter – Daniel’s Class

Daniel’s First Class have had a busy year, full of fun and learning. See the below pictures for a flavour of some of the things we got up to. We especially enjoyed; sports day, dress up day for Hallowe’en, Engineers week, our Titanic project and our history lesson working like archaeologists.

The children shared some of their thoughts about First Class and all the fun and interactive learning we did!

Sophie, Emily, Ava Jane, Mia and Ada loved dressing up for Halloween and our school outing to Albert College park!
