

Naomi's 3rd Class End of Year Newsletter

Well done to 3rd class on completing a fantastic, topsy-turvy, fun year. It was great to see the children's smiling faces as we started term one adapting smoothly to the changes in our school routine. The children got down to hard work enjoying learning through stories, projects, drama and creativity, especially on some of our interesting topics such as The Greeks, The Egyptians, Tom Crean's Antarctic Adventures and The Aztecs. The students loved taking part in the many events we had in school, like active week, engineer's week, mindful week and our Pride celebrations. We have to commend the children for their adaptability, resilience and continued hard work when faced with the challenges and changes of this year. We had a lot of fun along the way, always loving our Golden-time and being active! We were really lucky to enjoy a few trips while we learnt about our local area too, to Elmhurst Farm, Albert College Park and the Rediscovery Centre. Thanks to Tracey and all the staff in GETNS who helped us out this year!.
