

Supporting Children and Young People with
Bereavement and Parental Separation

The Rainbows programmes will start in Glasnevin ETNS as soon as restrictions allow. We aim to run a programme beginning in January 2022.

The Rainbows Programmes provide

- a 10-week listening, group support programme for children and young people following a bereavement or parental separation.
- Children of a similar age (from 7 years) and loss experience are in separate groups.
- Rainbows is not counselling or professional therapy.
