

Supporting Children and Young People with
Bereavement and Parental Separation

The Rainbows programmes will resume in Glasnevin ETNS this academic year.

- The Rainbows Programmes provide a 9-week listening and group support for children of a similar age (from 7 years), following a bereavement or parental separation.
- Meeting others in a similar situation can be very supportive for children and young people.
- Separate groups are formed for Bereavement and Parental Separation
- Rainbows is not counselling or professional therapy.
- It is a free service.
