## Pyjamas Day!

February 9th 2023

As part of our Wellbeing Week we had a whole school **PJ Day** to raise money for Pieta House and Educate Together. We we delighted to raise €730! Pupils loved wearing their favourite cozy pjs for the day and there was a wonderful atmospehere of cheerfulness and positivity. Pyjama Day was a wonderful opportunity to raise awareness of our two wonderful causes;

*Pieta House,* an organisation that works tirelessly to generate and nourish hope amongst those suffering with their mental health in Ireland.

444444444444444

Educate Together, an organisation who strive to provide inclusive, equality-based education to all families in Ireland who want it.
