Summer
Newsletter

What a year it has been in ALC Blue! We have had so many fun experiences and trips.

We say goodbye to 4 children from our class who will move onto secondary school. We wish them the best of luck for the future and we hope they will come back to visit us!

Thanks to our wonderful A.N.A's Sinéad, Susan and Alicia who have supported us along the way.

We hope everyone has a great summer!
