The school tour was amazing. Hell n' Back was good and archery was really good. Same with lunch – it was the best. And bush craft was one of the best in my opinion. It was the best school tour ever. The school tour made the school year!

Olivia

This year News2Day came to our school twice and one of the times they were in our class and it was about 'peace'. I said peace in French. The other time was for Art Day.

Ruby

The subjects were amazing and art was fun. Sports day was nice and art day was great. It was a very fun year!

Jeane

This year was amazing. I really liked our school tour at Alive Outside. I loved Hell 'n Back. Sports day was nice and I loved art day. Isabelle B.

I really liked going on trips, the Ark, the park, and the library. The school trip was amazing. I really liked doing the activities. Art Day and sports day were fantastic. This year was amazing.
