KL Football offers children of all abilities the chance to play the beautiful game.

The aim for School Soccer sessions is to teach fundamental football skills in a fun, non-competitive environment.

My philosophy is to utilise football to build self confidence in the children and develop team work and problem solving skills in every child.

I also offer football camps throughout school mid term breaks.

I currently coach at a local football club in McKelvey Celtic, opposite Charlestown Shopping Centre. Please contact Keith 0851796567 for more information outside of School ECA activities.
