Dear Deirdre,

On behalf of The Alzheimer Society of Ireland, I would like to extend our heartfelt thanks to you for your generous participation in our Denim Day for Dementia campaign on February 28th. Your donation of €1280.10 along with your involvement played a crucial role in raising awareness about dementia within the community and supporting the invaluable services we provide to people and families living with dementia.

Dementia presents one of the greatest population health challenges both here in Ireland and globally. There are over 64,000 people living with Dementia in Ireland today and behind each of these numbers are hundreds of thousands of family members and carers.

As a national voluntary organisation, The Alzheimer Society of Ireland offers a range of specialist services which include day care centres, home care services and carer support groups throughout the country. In addition, our National Helpline offers information and support to people with dementia, their families and carers.

We are incredibly grateful for your support, and together, we are making a real difference in the lives of those affected by this condition, and we couldn't do it without supporters like you. Thank you again for getting involved in Denim Day for Dementia 2025!

With sincere appreciation,

Nikki Keegan
Interim Head of Fundraising

The Alzheimer Society of Ireland Official Receipt
