

Friday 13<sup>th</sup> June 2025

Art Day happens on Friday, 13Jun25, it's day filled with the opportunity for all children to explore Art including music and dance, encouraging their imagination and creativity. It was a roaring success last year. There are a huge variety of activities on offer. We were lucky last year to be featured on RTE's news2day, check it out [here](#)

For the day to be successful we need as many volunteers as possible, so we are doing an early shout out. There are many different areas to cover so whether you are a novice or pro, your help is invaluable. Previous years, we had new stations where parents volunteered and lead new art activities.

Volunteers should be available from 9.00 till 14.20 on 13Jun25, (pick up time for Junior Infants is 13.20 so we are looking at an activity to cover 13.20 to 14.20 for children of volunteers). Please email [getnsartdaycommittee@gmail.com](mailto:getnsartdaycommittee@gmail.com) for any further information or have a chat with other parents in the class. It's also a great social day where you meet lots of other parents in the school from different years!
