

2nd class summer newsletter

June 2025

Siobhán's Class

What a year we've had in 2nd class!
From our school tour in Fort Lucan,
swimming, rediscovery centre and
all the other amazing opportunities
we've had! I wanted to thank
everyone for making it such a
positive and incredible year!
We have learnt so much and built
our friendships even more. Now
that we join the senior end of the
school things will only get better!
