

ALC Blue

# Summer Newsletter

What a brilliant year filled of learning and growth for students and staff alike.

We will be saying goodbye to 3 students as they move into secondary school. There is no doubt that they are all ready and will find success in their new chapter.

We have enjoyed some brilliant trips and learning experiences throughout the year including a trip to SimTech and some fantastic music lessons from a local musician.

Thanks to our 3 ANAs- Alicia, Sinéad and Susan and anybody else who has come in and work with us in the ALC throughout the year. There has been amazing progress with integration and we will hope to work even closer with class groups in the coming year.

All the best to everyone for the summer!

Go n-éirí libh 😊

Stephen

What a Brilliant day when we had Julie the service dog  
come to visit!
