

ALC Green Newsletter

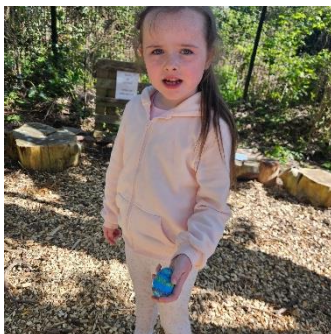

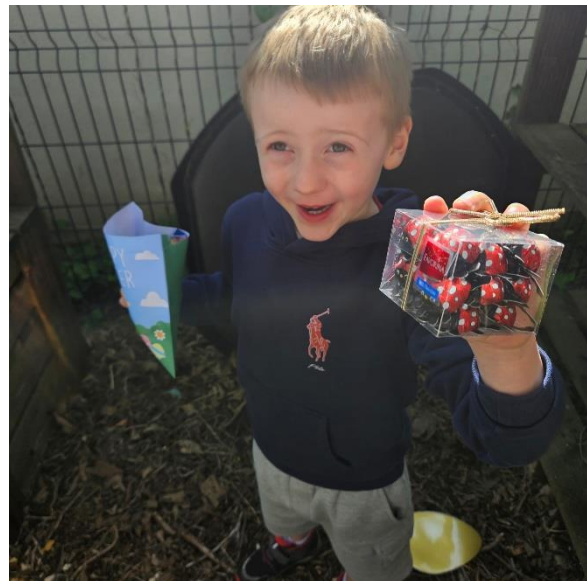

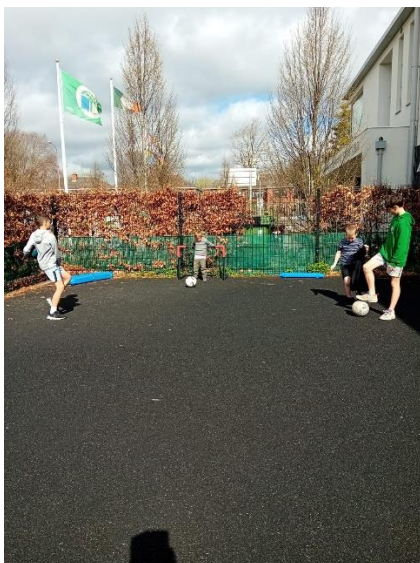

Grace and Niamh's class.

We had a super time in ALC Green this year - linking with Senior Infants, 1st, 2nd and 6th Class. We had so much fun learning and playing together!

Some of the highlights this year were reading and walking with Rocky and going on an Easter Egg hunt in the Outdoor classroom! Thank you, Andy for sharing Rocky with us! Some of us also liked to practice our football skills with 6th class!!

We made lots of print artworks this year and made Christmas stockings to celebrate the holidays! We experimented with vegetable printing can you guess which ones?

This term we planted Sunflower seeds and learned about Bees and went on lots of school trips. The best was our tour with ALC Blue to PJ's Playcentre. We also had Art and Sports Day to keep us busy!

Thanks to all our wonderful A.N.A.s Janette, Suzy, Claire and Zoe for making it such a great year! Have a wonderful Summer.
