

JUNIOR INFANT NEWLETTER

Emma's Class
June 2025

What a year we have had!
From farm adventures to
brand new friends to reading
buddies. Junior Infants have
grown so much in confidence,
creativity and curiosity.
Here's a look at some of the
special moments from the
year.

PLAYFUL LEARNING

From painting masterpieces and
building sandcastles to exploring
nature and learning songs. Every
day brought something new. The
classroom was always buzzing with
activity filled with questions, laughter
and wonder. These moments may seem
small but together they created a
magical year of learning through play.

Reading with Siobhan's Class

Reading with our buddies from Siobhans class quickly became a monthly favourite! The children looked forward to sharing stories and laughing together. It was heart warming to see their confidence grow. By the end of the year we were reading to are big buddies.

Trip to Newbridge farm

Our trip to Newbridge farm was the highlight of the year! The children loved meeting all the animals especially those cheeky goats. It was the perfect day of outdoor fun and learning.
