ADMISSIONS POLICY

1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 15/09/25. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Glasnevin ETNS's admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

Characteristic spirit and general objectives of the school

Like all Educate Together schools, Glasnevin ETNS is committed to the values laid down in Educate Together's Charter. As an Educate Together school, Glasnevin ETNS provides for equality of access. Our school is learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect. Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. It teaches students about different belief systems as well as atheism, agnosticism and humanism, without promoting any one worldview over another. Our equality-based objective informs all policies and practices in the daily life of the school. In exercising this policy making and decision-making responsibilities, the school's Board of Management upholds the characteristic spirit of the school.

In line with the Educate Together Charter, Glasnevin ETNS offers places to siblings enrolled in the school at the same time, in the first instance.

The definition of a sibling in this policy includes step siblings and foster siblings who are enrolled in the school at the same time. It does not include relatives or someone who cohabits with a currently enrolled pupil.

2. Admission Statement

Glasnevin ETNS will not discriminate in its admission of a student to the school on any of the following:

- (a) the sex or gender of the student or the applicant,
- (b) the civil status of the applicant,
- (c) the family status of the student or the applicant,
- (d) the sexual orientation of the student or the applicant,
- (e) the religion of the student or the applicant,
- (f) the disability of the student or the applicant,
- (g) the race of the student or the applicant,
- (h) the student or applicant's membership of the Traveller community, or
- (i) the student or applicant in respect of the student/applicant concerned having special educational needs. However, because Glasnevin ETNS is a school which has established 2 Autism Classes, with the approval of the Minister for Education, which provide(s) an education exclusively for students with a category/categories of additional ("special") educational needs specified by the Minister, Glasnevin ETNS may refuse to admit a student to these classes where the student concerned does not meet the criteria for admission to such a class, see section 3 below.

These grounds are as per section 61 (3) of the Education Act 1998.

3. Categories of Additional Educational Needs catered for in the special class

Glasnevin ETNS will cooperate with the National Council for Special Education (NCSE) in the performance by the Council of its functions under the Education for Persons with Special Educational Needs Act 2004 in relation to the provision of education to children with additional ("special") educational needs, including in particular, by the provision and operation of a specialised class or classes when requested to do so by the Council.

Glasnevin ETNS will comply with any direction served on the board or the patron under section 37A and 67(4)(b).

4. Categories of Additional ("Special") Educational Needs catered for in ALC Classes

Glasnevin ETNS with the approval of the Minister for Education, has established two classes to provide an education exclusively for students with Autism/Autistic Spectrum

Disorders. Children and young people are eligible for enrolment in a special class for autistic students / students with autism when the following is provided in support of such an application:

Professional report(s) outlining:

1. Diagnosis of special educational needs (e.g. Autism: DSM IV/V or ICD 10/11 (psychologist, psychiatrist, multi-disciplinary report)).

AND

2. A demonstration of the understanding of complexity of the child's overall level of need/s evidenced in the professional reports.

AND

3. Given the severity or complexity of the child's support needs, a clear professional recommendation as to what educational placement type would be most appropriate to best meet the child's needs, along with the rationale for same.

AND

4. A letter from the NCSE confirming that the child is known to them and that the child has the required diagnosis and recommendation for a special class for autistic students / students with autism.

5. Admission of Students

This school shall admit each student seeking admission except where:

- (a) the school is oversubscribed (please see section 6 and 8 for further details).
- (b) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student.
- (c) The ALC class in Glasnevin ETNS provides an education exclusively for autistic students and the school may refuse admission to this class where the student concerned does not meet the criteria for admission to such a class as set out in [section 4](#) above.

6. What will not be considered or considered:

In accordance with section 62(7)(e) of the Education Act 1998, the school will not consider or consider any of the following in deciding on applications for admission or when placing a student on a waiting list for admission to the school:

- (a) a student's prior attendance at a pre-school or pre-school service, including naíonraí, other than in relation to a student's prior attendance at—
 - (I) *an early intervention class, or*
 - (II) *an early start pre-school, specified in a list published by the Minister from time to time.*
- (b) the payment of fees or contributions (howsoever described) to the school.
- (c) a student's academic ability, skills, or aptitude; other than in relation to: admission to a special class insofar as it is necessary to ascertain whether or not the student has the category of special educational needs concerned.
- (d) the occupation (including children of staff), financial status, academic ability, skills or aptitude of a student's parents.
- (e) a requirement that a student, or his or her parents, attend an interview, open day or other meetings as a condition of admission.
- (f) a student's connection to the school by virtue of a member of his or her family attending or having previously attended the school other than siblings of students who are enrolled in the school at the same time.
- (g) the date and time on which an application for admission was received by the school. This is subject to the application being received at any time during the period specified for receiving applications set out in the annual admission notice of the school for the school year concerned.

7. Oversubscription

The annual admission process for each of the three sections below will open for at least three weeks, starting after 1 October. The annual admission notice will be published at least 1 week prior to the start of the annual admission process on the school's website.

NB: 'enrolled in the school at the same time' does not include the case where a sibling in a higher class would finish school before the applicant would start; that older sibling would become a past-pupil, which offers no priority advantage under the policy. So, the sibling of a child in sixth class who is applying to enrol in junior infants the following year would not have priority on the basis of being the older child's sibling. Only children with siblings who will be enrolled in the school at the same time should be given priority in offering places.

a) Junior Infants

If the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice for Junior Infants. Siblings are prioritised and then age, to take account of the two years of ECCE scheme. Priority is given to children who have reached 4 years of age on or before 31 March of the calendar year they start school.

Priority Category 1 – Applicant students who:

- are siblings of children enrolled in the school at the same time; and
- will have reached 4 years of age by 31 March in the calendar year that they start school

Priority Category 2 – Applicant students who:

- will have reached 4 years of age by 31 March in the calendar year that they start school

Priority Category 3: Applicant students who

- are siblings of children enrolled in the school at the same time; and
- will have reached 4 years of age by 31 May in the calendar year that they start school

Priority Category 4 – Applicant students who:

- will have reached 4 years of age by 31 May in the calendar year that they start school

Priority Category 5 –

- All other applicant students.

Late applications for siblings will be treated in accordance with our school's Admissions Policy (see point 7; Late Applications).

Lottery

If there are two or more students tied for a place or places in any of the categories above (and the number of applicants exceeds the number of remaining places), places will be offered by way of a lottery of completed applications.

Multiple births such as twins, triplets, etc will be entered in the lottery as one entry and will be offered a place/placed on the waiting list in sequence of alphabetical order of their first name.

All unsuccessful applicants will be kept on a waiting list for the duration of the school year, in case of a place becoming available during the year.

b) Special class

If a special class is oversubscribed the school will apply the following selection criteria to applicant students. These will be applied in the order listed below to applications received within the timeline as set out in the school's annual admission notice for the special class. The child must meet the eligibility criteria for these classes as outlined in Section 4 above

Children and young people are eligible for enrolment in a special class for autistic students / students with autism when the following is provided in support of such an application:

Professional report(s) outlining:

1. Diagnosis of special educational needs (e.g. Autism: DSM IV/V or ICD 10/11 (psychologist, psychiatrist, multi-disciplinary report).

AND

2. A demonstration of the understanding of complexity of the child's overall level of need/s evidenced in the professional reports.

AND

3. Given the severity or complexity of the child's support needs, a clear professional recommendation as to what educational placement type would be most appropriate to best meet the child's needs, along with the rationale for same.

AND

4. A letter from the NCSE confirming that the child is known to them and that the child has the required diagnosis and recommendation for a special class for autistic students / students with autism.

Priority Category 1 - Applicant students who:

- are already enrolled in the school.

Priority Category 2 - Applicant students who:

- are siblings of children enrolled in the school at the same time; and
- will have reached 4 years of age by 31 March in the calendar year that they start school.

Priority Category 3 - Applicant students who:

- will have reached 4 years of age by 31 March in the calendar year that they start school.

Priority Category 4 –

- All other applicant students.

If there are two or more students tied for a place or places in any of the categories above (the number of applicants exceeds the number of remaining places), places will be offered

by way of a lottery of completed applications. All unsuccessful applicants will be kept on a waiting list for the duration of the school year, in case of a place becoming available during the year.

c) Other year groups – Senior Infants to 6th Class

If the school is oversubscribed, the school will, when deciding on applications for admission to Senior Infants to 6th Class, apply selection criteria in the order listed below. Applications must be received as set out in the school's annual admission notice for other year groups. Students must be moving to the next year group if the application is for September, or to the same year if applying to move during the school year:

Priority Category 1- Applicant students who:

- are siblings of children enrolled in the school at the same time.

Priority Category 2 - All other applicant students

If there are two or more students tied for a place or places in any of the categories above (the number of applicants exceeds the number of remaining places), places will be offered by way of a lottery or added to a waiting list for the duration of that school year.

8. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice for Junior Infants, a special class or other year groups will be considered and decided upon in date order of when they were received in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. If there is no place, the applicant will be added to the waiting list.

If two applications are received at the same time, on the same date priority will be based on earliest date of birth.

9. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available in Junior Infants, a special class or other year groups, a waiting list of students whose applications for admission to Glasnevin ETNS were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of GLASNEVIN ETNS is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with

this admission policy (see section 6 above). Late applications will be added to the list in date order (see section 7 above).

Offers of any subsequent places that become available for and during the school year will be made first to those students on the waiting list, in the order of priority in which the students have been placed on the list.

Waiting lists will expire at the end of each school year.

10. Admissions of students after the commencement of the school year

If a place is available after the commencement of the school year in which admission is sought, the place will be offered to the next place on the waiting list if there is one or to the next application.

11. Decisions on applications

All decisions on applications for admission to Glasnevin ETNS will be based on the following:

- Our school's admission policy
- The school's annual admission notice
- The information provided by the applicant in the school's official application form received during the period specified in our annual admission notice for receiving applications.

Selection criteria that are not included in our school admission policy will not be used to decide on an application for a place in our school.

12. Notifying applicants of decisions

Applicants will be informed as to the decision of the school, within the timeline outlined in the relevant annual admissions notice but no later than three weeks after the annual admissions process or for late applications, three weeks after the school receives an application.

If a student is not offered a place in our school, the reasons why they were not offered a place will be communicated to the applicant, including, where applicable, details of the student's ranking against the selection criteria and details of the student's place on the waiting list for the school year or class concerned.

Applicants will be informed of the right to seek a review/right of appeal of the school's decision (see section 16 below for further details).

13. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from Glasnevin ETNS you must indicate —

(i) whether or not you have accepted an offer of admission for another school or schools. If you have accepted such an offer, you must also provide details of the offer or offers concerned and

(ii) whether or not you have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, you must provide details of the other school or schools concerned.

14. Circumstances in which offers may not be made or may be withdrawn
